

## CALIFORNIA HANDGUN ROSTER NEWS 6/2023

No major changes or movement in the ongoing litigation over the handgun roster this past month. As we head into summer we did get some good news from Ruger. Somehow they managed to add two new pistols to the roster!

### RUGER MKIV TARGET AND SR22 WERE ADDED MAY 24, 2023

These are semi-auto pistols chambered in .22lr. We have placed backorders with our distributors but do not have a firm delivery date at this point. However, you can come by the store and place a special order to reserve your pistol when it arrives. A \$100 refundable deposit will secure your place in line. Call us if you have any questions.
