

CALIFORNIA GUN LAWS - SEPTEMBER UPDATE

September is here and the kids are back in school. Hunting season is approaching and bird season kicks off September 1st!

Very little activity on the firearm legal front this past month. The only recent update involves **Boland v Bonta** This is a challenge to the State's Handgun Roster.

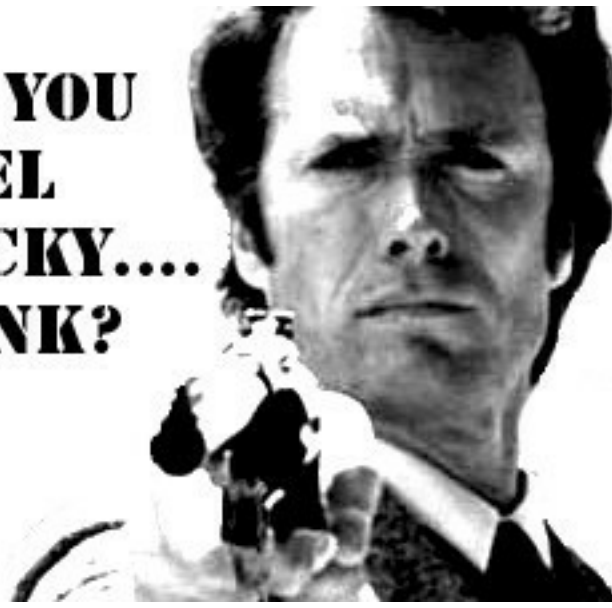

Oral arguments were presented to the Ninth Circuit Court in Pasadena, CA on August 24th. One question of concern was whether the CA is an outlier with regard to handgun restrictions. Turns out that CA is the only state that requires both the Magazine Disconnect and Loaded Chamber Indicator.

NEW ROSTERED FIREARMS

RUGER MAX-9 WAS ADDED AUGUST 3, 2023

This pistol is **now in stock** and available for purchase at the store.
